FOREST SERVICE

F-95407

In 1934 careless smokers started 40,000 fires in the forests of the United States.

Do you know any of these criminals?

F—238934

LET'S MAKE 1935 A FIRELESS YEAR

F—211166

Do your part—put out every last *spark*.

THE FORESTS NEED YOUR HELP

A *shovel*, *ax*, and *water bucket* are required for each camping party on *many western national forests*.

This is required of all campers using automobile, vehicles, or pack horses, except when camping at designated and posted forest camps. Not required of hiking parties.

SPECIFICATIONS

Ax.—With handle not less than 26 inches long and head weighing 2 to 2½ pounds.

Shovel.—With handle not less than 36 inches long and blade 8 inches wide.

Bucket.—Or other water container with capacity of not less than 1 gallon.
